

Leona Valley Gymkhana Patterns

Cloverleaf Barrels

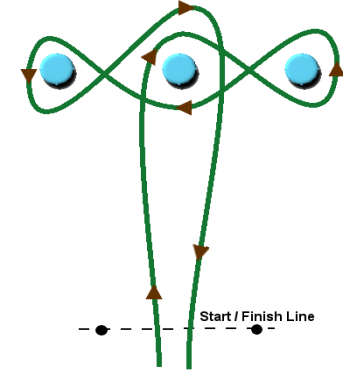

Start right or left: Right, Left, Left or Left, Right, Right. If starting left, pattern is a horizontal mirror image of what is shown above.

Single Barrel

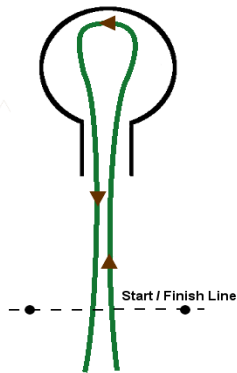

Turn around the barrel right or left. If turning left, pattern is a horizontal mirror image of what is shown above.

Precision Barrels

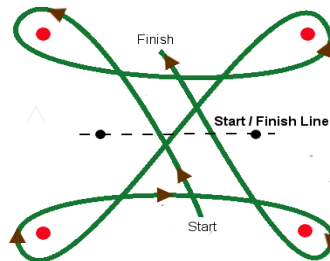

Start turning first barrel right or left. If turning first barrel left, pattern is a horizontal mirror image of what is shown above.

Keyhole

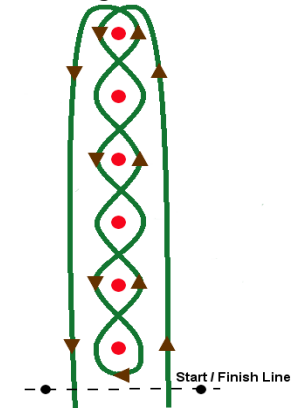

Take horse inside keyhole, turn around left or right and take horse back outside. Horse must not step over or touch chalk keyhole.

Quadrangle

Start right or left: Right, Right, Left, Left or Left, Left, Right Right. If starting right, pattern is a horizontal mirror image of what is shown above.

Washington Poles

Run to far end, either on left or right side of poles. Turn around far pole and weave through poles back to near end. Turn around near pole, weave through poles back to far end. Turn around far pole once again, and then run home. If starting on left side of poles, pattern is a horizontal mirror image of what is shown above.
